Download the FREE myQ App

SEE WHAT MATTERS. SECURE WHAT'S INSIDE.

The new Sentinel offers more than most garage door openers: it can be your eyes and ears. It keeps you connected to what's happening at home when you are not there. It's the first-ever garage door opener with a built-in wide-angle 1080p camera and 2-way communication connected by myQ® smart technology. Download the myQ App to your phone and see and hear what's happening in your garage, anytime, anywhere.*

KNOW.

Whats happening.

Never wonder if the garage door was left open. Check the status of your garage door, plus open and close the garage door from your phone — no matter where you are.

SEE.

In beautiful 1080p.

Stop imagining and see what's going on in your garage. Real-time video monitoring lets you see what's happening whether you're at the office or on vacation halfway across the world.

HEAR.

With real-time 2-way communication.

Tell your neighbor where to find the ladder or help your daughter find her bike helmet with 2-way communication.

SECURE.

From anywhere.

Ensure your family and prized possessions are safe and secure with a reliable garage door opener that's simple to use, built to last and intuitive.
