

**GET IN AND OUT WHEN
THE POWER'S DOWN WITH
BATTERY BACKUP OPENERS**

POWERED-UP PERFORMANCE

Raynor® Battery Backup Garage Door Openers have been lifting garage doors during power outages for years. Along with top safety and security features, battery backup openers help provide access when you need it most.

Battery Backup
Get in and out when the power is down.

Anywhere Assurance
Built-in WiFi® makes it easy to receive alerts and open and close the garage door from anywhere with the myQ® App.

Smooth Operation
Powerful DC motors and soft start/stop provide quiet, reliable performance.

Warranty
Motors, parts and accessories have warranties backed by Raynor

THE BOTTOM LINE:

VALUE

Power when you need it: Battery backup powers the opener, so you can get in and out even when the power is out.

RELIABLE ACCESS IN AN EMERGENCY

Standard connectivity: Built-in WiFi is the easiest way to connect your opener to the myQ App so that you can close it from anywhere, open it for anyone and get alerts.

PEACE OF MIND

Quiet operation: Soft start/stop and ultra-quiet DC motors offer smooth operation and vibration reduction.

COMFORTABLE LIVING SPACES NEAR THE GARAGE

LiftMaster quality: Reassurance that you're getting a trusted, reliable solution to protect your family.

PRICELESS

The State of California has recognized the importance of garage access during emergencies and is making legislative changes to protect homeowners. California SB-969 requires all newly sold or installed garage door openers in residential applications to have battery backup effective July 1, 2019. All LiftMaster Battery Backup Garage Door Openers are compliant. Visit LiftMaster.com/Cali for more information.

The State of California has not endorsed these or any other garage door openers.

TRUSTED SOLUTIONS

Unmatched reliability. It's a key component of all Raynor® Garage Door Openers. And now, with a full line of openers that include battery backup, everyone can rely on Raynor to get in and out of the garage when the power is out.

PROPER BATTERY CARE

Regularly check the battery status LED on your opener and replace the battery when indicated.

SLEEK AND STRONG

Prodigy® II WiFi® (8500WRGD)

DC Battery Backup Wall Mount WiFi Opener

Space-saving design with a heavy-lifting capacity of 850 lbs. (battery must be installed).

WIRELESS KEYLESS ENTRY
877RGX

Use a custom 4-digit PIN to open and close your garage door.

MINI UNIVERSAL REMOTE CONTROL
374UT

Every family member can get in and out quickly with this portable remote.

SECURITY'S AT OUR CORE

Engineering cutting-edge products that work today to deliver comprehensive garage security.

RIGHT ACCESS
 Protection features secure the garage and grant access only for you.

ILLUMINATION
 A bright garage lets you walk in with confidence.

KNOWLEDGE
 Monitoring and controlling from anywhere for complete assurance.

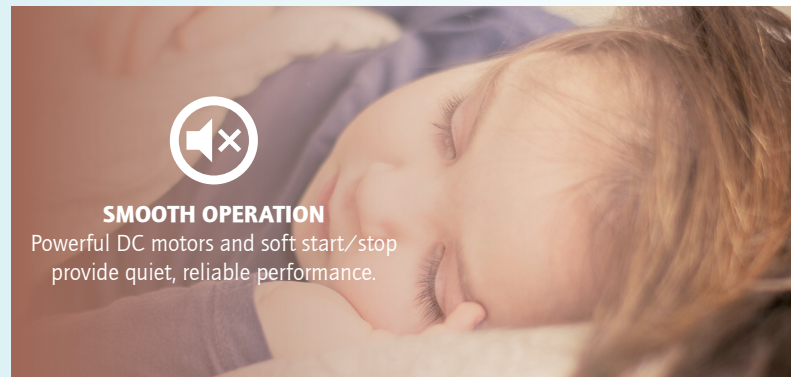

POWER-OUTAGE PERFORMANCE
 Integrated battery backup keeps the opener working in a blackout, so your family can get in and out.

WIND DEFENSE
 Adding the Automatic Garage Door Lock** to either side of the garage door makes it virtually impenetrable.

** The Automatic Garage Door Lock is included with the 8500WRGD and is compatible with the WLEDRGD, 8550WLB and WLBGR (sold separately).

SMOOTH OPERATION
 Powerful DC motors and soft start/stop provide quiet, reliable performance.

REMOTE ACCESS
 Built-in WiFi** makes it easy to connect the opener with your smart device. Receive alerts and open and close the garage door from anywhere with the myQ® App.***

***myQ will not work during a power outage.
